Eloro Resources Receives TSX Venture Exchange Approval to Acquire a 100% Interest in Tartisan's La Victoria Gold/Silver Property, Ancash, Peru

Toronto, Canada, September 14, 2016 – Eloro Resources Ltd. (TSX-V: ELO; FSE: P2Q) (“Eloro”) and Tartisan Resources Corp. (CSE:TTC) (“Tartisan”) are pleased to announce that the TSX Venture Exchange has accepted Eloro's filing in connection with the acquisition of 100% of the La Victoria Gold/Silver Property (“La Victoria” or the “Property”) in Huandoval District, Pallasca Province, Ancash Department, Peru.

Having satisfied all of the terms precedent to the acquisition, including the filing of a National Instrument 43-101 Technical Report on the Property and the receipt of majority Eloro shareholder approval for the acquisition, Eloro and Tartisan are now moving towards closing the transaction on an expeditious basis.

Pursuant to the terms of the acquisition (see News Release dated August 5, 2016) and as consideration for the Property, Eloro has agreed to: i) issue Tartisan 6 million common shares and 3,000,000 warrants with limited transferability, ii) make staged cash payments totalling C\$350,000, and iii) grant Tartisan a 2% royalty interest (the “Royalty”), half of which can be repurchased by Eloro for C\$3 million to reduce the Royalty to 1%.

About Eloro Resources Ltd.

Eloro is an exploration and mine development company with a portfolio of gold and base-metal properties in northern Peru and western Quebec. Eloro recently announced its proposed acquisition of a 100% undivided interest in the La Victoria property, located in the prolific North-Central Mineral Belt of Peru. The La Victoria Property consists of properties totalling eight mining concessions encompassing approximately 35.9 square kilometres together with 3 mineral claims totalling 15 square kilometers. The Property is within 50 kilometres of several producing gold mines, with three producers visible from the property. Infrastructure in the area is good with access to road, water and electricity and is located at an altitude that ranges from 3,100 m to 4,200 m above sea level.
