

Tartisan to be added to Tormont50

2017-10-12 16:55 ET - News Release

Mr. D. Mark Appleby reports

TARTISAN RESOURCES CORP. INCLUDED INTO THE TORMONT50

Tartisan Resources Corp. will be included in the Tormont50 by the Tormont Group.

The Tormont50 is a web based platform and introduction source for companies and institutional investors which provides relevant and credible information on top growth opportunities identified in the North American small and micro-cap segment.

Companies invited to the Tormont50 demonstrate compelling reasons for investment, including but not limited to, undervaluation relative to peers, new and innovative/disruptive technologies or methods, management/board evolution, upcoming events likely to drive value appreciation and other features which would enable a multiple increase in market cap over the next 6-18 months.

The Tormont50 are showcased to over 70 institutional investors across North America. These investors represent over \$15 billion in investable capital. Membership is limited to a maximum of 50 companies.

About TARTISAN RESOURCES

Tartisan Resources Corp. is a Canadian mineral exploration and development company focused on precious and base metals. Tartisan's portfolio includes; a 100% stake in the Don Pancho Zinc-Lead-Silver Project in Peru, just 9 km from Trevali's Santander Mine, a 100% stake in the Ichuna Copper-Silver Project in Peru, contiguous to Buenaventura's San Gabriel Property. Tartisan's portfolio also includes an equity stake (6 million shares and 3 million warrants @ 40 cents) in Eloro Resources Ltd. (TSX.V:ELO).
